Niemann's luscious candies are freshly made by hand in modest quantities so our stock fluctuates from day to day. If immediate delivery is required, please call to verify the availability of your selections. Normally we ship orders in 3-5 days. If we can not, we will notify you and request further instructions. Your day and evening telephone numbers and E-mail address are very important but we will only use them if there is a problem.

IMPORTANT NOTICE!

Fresh, natural chocolates are very susceptible to heat thus the season that we ship by ground runs from October 1st to Easter. Even then, we use frozen gel packs in shipments to the Southern and Western States. Overnight delivery in insulated packages is available throughout the year to next day destinations.

Prices and availability of Valentine's items for mail order good through 2/14/12.
